

Campbell High School ELO Presentation Guide

Every ELO Presentation is different. The presentation is the story of the student's learning experience. Here are the questions the student will answer at the Final Presentation:

All students need to write a reflection (one page) in their ELO Final Presentation. Please include the following in your reflection:

- Name of ELO
- Presenter's Name
- Mentor(s) Names
- Academic subject of ELO

- Vision for ELO
- Why did you choose this ELO?

- Essential Question
- What kind of activities did you complete to answer your Essential Question?
- Did you answer your Essential Question?

- **Stages of your Learning**
Describe your experience at the beginning of your ELO, the middle, and the end.

- **Personal Growth**
How did you have to be flexible and grow?
What was challenging and what came easy to you?

- **Meeting Academic Standards**
Share and reflect on one of your benchmark activities
Did you meet proficiency in all of the academic standards of your ELO?

- **Life Connection**
How was this ELO connected to your academic and life goals?
How will your experience with this ELO affect your life in the future?
