

Name: _____

Frayer Model

Definition	Notes/Facts
Example	Non-example

word:

The diagram is a large rectangle divided into four quadrants by a vertical line and a horizontal line. In the center, where the lines intersect, is a horizontal oval containing the text "word:". The top-left quadrant is labeled "Definition", the top-right "Notes/Facts", the bottom-left "Example", and the bottom-right "Non-example".
