

Join the LIS Network Google Group to ask questions, share news and resources, or engage in discussion with your League colleagues from across New England!

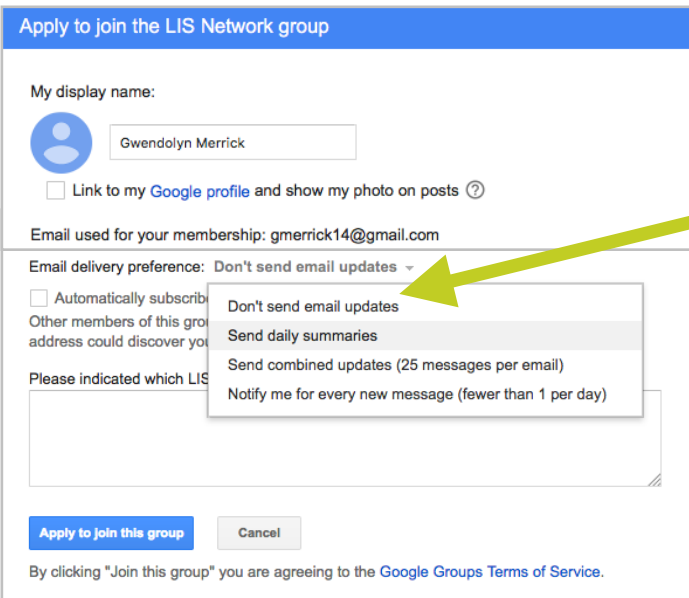

1

Go To: [groups.google.com/d/forum/lis-network](https://groups.google.com/d/forum/lis-network)

Membership in the LIS Network Google Group is voluntary.

To request access, click on *Apply for membership*.

2

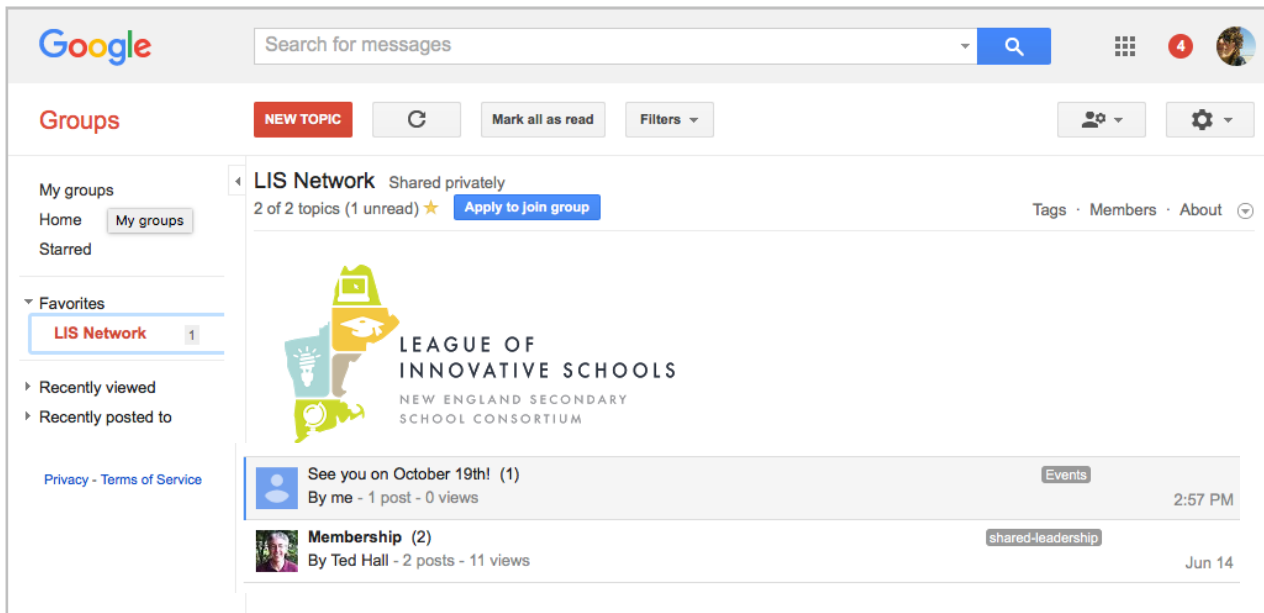

Provide your name as you would like it displayed and the name of your school.

Select your email delivery preferences. You can change this preference anytime by clicking on *My Groups* from your Google Groups homepage.

Finally, *Apply to join this group*.

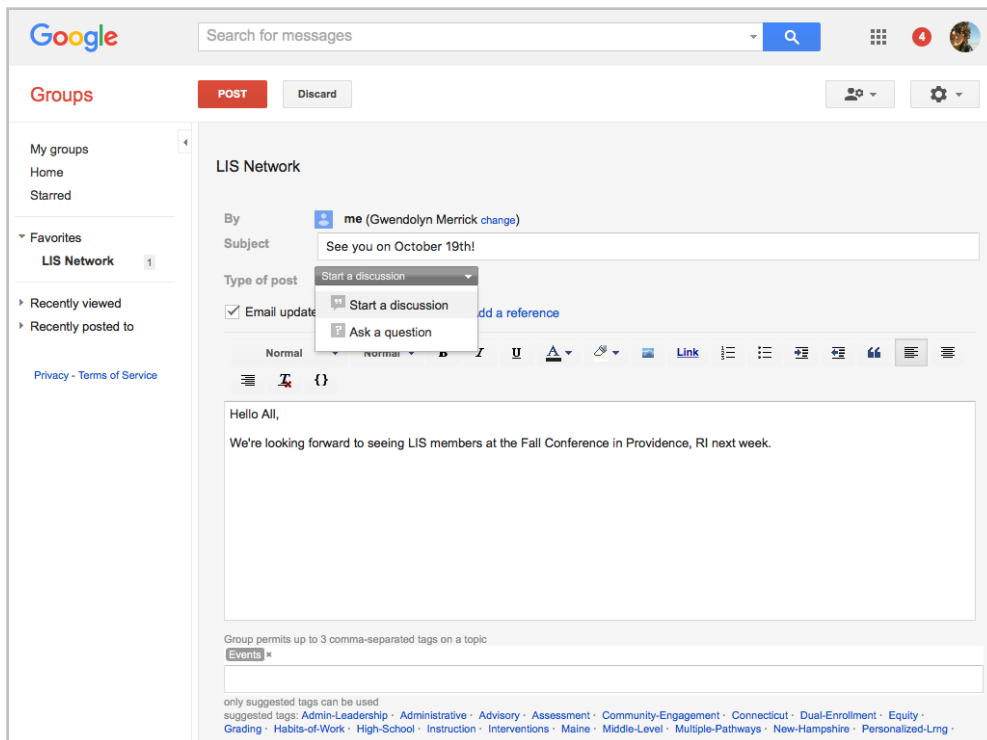

3

Once your membership has been approved, you can view topics and posts from your colleagues, post your own question, or start a discussion thread.

4

Click *New Topic* to start your own discussion or pose a question.

You must select at least 1 tag from the list of suggested tags found at the bottom of your message screen.

Tags help users to search for the most relevant topics.
