

Traip Academy Observation Tool
LIS Visit November 8, 2017

This year Traip is working on student ownership of their learning and engagement. As you visit classes, please focus on the following areas.

- Student understanding and clarity of competencies and learning targets being worked on that day
- Student engagement, student ownership, and voice/choice in learning
- FIB (Focused Intervention Block) observation and Success Center to support and accelerate learning

I observe...

I notice...
