

## Maine LIS Network Meeting & School Visit

Madison Area Memorial High School, Madison, ME

January 25, 2017

### Coordinators

Jessica Ward, Principal, Madison Area Memorial High School | [jessica.ward@msad59.org](mailto:jessica.ward@msad59.org)

Diana Doiron, Proficiency-Based Education Specialist, Maine Dept. of Education |

[diana.doiron@maine.gov](mailto:diana.doiron@maine.gov)

Reed Dyer, Senior Associate, Great Schools Partnership | [rdyer@greatschoolspartnership.org](mailto:rdyer@greatschoolspartnership.org)

### Outcomes

1. Acquire specific ideas/resources that can help my school in our personalized learning efforts.
2. Deepen my professional network within the League of Innovative Schools by learning with and from colleagues.
3. Engage in choice-based, professional conversations specifically focused on schools with feedback, ideas, and resources.

### Overview

Madison Area Memorial High School is committed to developing student-centered proficiency practices build on a collaborative staff and meaningful relationships with students.

As they transition through a number of changes to improve student outcomes and develop a successful proficiency system, Madison educators are excited to share their lessons and facilitate conversations around how all Maine schools can implement personalized learning.

Visitors will spend time in classrooms to see teaching & learning in action and have the opportunity to sit and work directly with other teachers in their content area. We will also hear from students about their experience.

Additionally, participants are encouraged to suggest topics for deeper discussion and problem solving, and we will plan for focused protocols with prepared resources to facilitate collaborative learning and sharing among all visitors.

A light breakfast and full lunch will be served. This event is open and free to all faculty from Maine schools who are members of the League of Innovative Schools.
