Outcomes

To learn from each other and provide feedback about tools, resources, and ideas that enable authentic implementation of personalized learning practices.

Outcomes

To learn about the promising practices developed by CVU and consider in school teams how their thinking might impact our own work.

Is a non-profit support organization based in Portland working nationally with schools, districts and state agencies, providing coaching, and developing tools.

We Believe

In equitable, personalized, rigorous learning for **all students** leading to readiness for college, careers, and citizenship

We Believe

That schools must simultaneously attend to
policy, practice, and community engagement

We Believe

School improvement is **context-based**,
not one-size fits all
