_____ is making expected progress. At this time, the effort necessary for success is usually demonstrated. In ELA, all students received summer reading information and expectations were reviewed in class. Over the summer months, all students are required to read two books (one from the book list and one of choice) and complete two projects from the list provided. Please log onto A-SIMS for more information. It has been a pleasure having Nicholas in class this year. Have a wonderful summer!
