

League of Innovative Schools Membership Information

2018-19

Membership: We believe that membership in the LIS should remain free to any middle or high school in New England that wishes to participate.

LIS Professional Learning Services: Members may choose to personalize their professional learning experiences through the services offered within the LIS. The services offered will align with the vision of the LIS and the goals of the NESSC. These services may be reconsidered annually, and are options for schools, not requirements.

MEMBER SUPPORTS and BENEFITS	COST to MEMBERS
<p>Archived Events Website Access Provides access to an archive of tools and resources developed and used by member schools and presented at LIS sessions.</p>	Free
<p>LIS Fall Conference This annual event occurs in October and provides opportunities for members across New England to come together to learn via content aligned to Global Best Practice strands. Presenters include schools engaged in best practices as well as staff from Great Schools Partnership. This conference intentionally creates conditions for networking and learning from and with other members. We encourage participating in this event as a team, inclusive of a diverse group of teachers, administrators, students and community partners.</p>	\$100 per adult, \$25 per student, open only to LIS member schools
<p>In-State Network Meetings + School Visits Two meetings per year in each member state – fall + winter. These meetings allow members to engage with colleagues from across their state around issues of personalized learning. The meetings are designed to support collegial conversations, shared learning, and critical feedback to support school improvement. The true value of the experience comes from the varied perspectives and knowledge of the participants, so we encourage every school to send a team.</p>	Free
<p>LIS Networking at the NESSC School Redesign in Action Conference An additional session for LIS member schools only will be offered for those attending the NESSC School Redesign in Action Conference.</p>	Free, LIS member schools only
<p>NESSC School Redesign in Action Conference This annual two-day event takes place in March and showcases best practices from educators throughout the region and the country.</p>	TBD, LIS discount per person
<p>Principals' PLGs Principals of LIS member schools are invited to register and commit to attending three sessions using Professional Learning Group practices.</p>	\$250 per principal, LIS member schools only
