

Perseverance: I accept the challenge of difficult or long-term problems, and I push myself to reach my

Dimensions	Meeting	Developing	Entering
<p><i>Awareness</i> I am aware of my own strengths and weaknesses and am willing to try to improve upon both.</p>	<p>I accept challenges independently.</p> <p>I independently identify why something is challenging.</p> <p>I reflect on and understand my own strengths and weaknesses.</p>	<p>I accept challenges with guidance.</p> <p>I identify why something is challenging with guidance.</p> <p>I reflect on my strengths and weaknesses with support.</p>	<p>I acknowledge struggles pointed out by others.</p> <p>I sometimes or rarely acknowledge and figure out why something is challenging.</p> <p>I rarely/never reflect on my strengths and weaknesses.</p>
<p><i>Diligentiousness</i> I am thorough and careful in my work.</p>	<p>I practice regularly and see it as a part of getting good at something.</p> <p>I use several strategies and sometimes create my own.</p> <p>I care about doing my best work. I complete what is asked of me and take pride in what I do.</p>	<p>I practice sometimes, but setbacks impact my work negatively.</p> <p>I am open to being given a strategy, but rarely apply my own.</p> <p>I care about some of the work I am doing. I do what is asked of me and begin to engage meaningfully.</p>	<p>I rarely practice skills, and I cannot do them well.</p> <p>I have few strategies, or I do not use them.</p> <p>I care minimally about the quality of my work. I complete tasks to avoid criticism.</p>
<p><i>Perseverance & Resilience</i> I am persistent in my work. When I fall off the track, I get back up.</p>	<p>I see mistakes as temporary setbacks and growth opportunities.</p> <p>I seek out feedback and criticism so I can improve my work.</p> <p>I revise my work. Revisions result in measurable improvement.</p>	<p>I see mistakes as temporary setbacks but not growth opportunities.</p> <p>I accept feedback and criticism and sometimes use it to improve.</p> <p>I sometimes revise my work with limited improvement.</p>	<p>I see mistakes as failures and I cannot do some things well.</p> <p>I avoid or rarely use criticism and feedback to improve my work.</p> <p>I rarely revise my work, and revisions do not result in improvement.</p>
<p><i>Growth</i> I am committed to the ongoing quest of personal improvement.</p>	<p>I would rather try and risk failure than not try at all.</p> <p>I use what I learn to continue growing.</p> <p>I have demonstrated improvement in at least one instance of a long-term struggle or goal.</p>	<p>I sometimes try with minimal support. I sometimes take risks.</p> <p>I connect what I learn to my life (with support).</p> <p>I have demonstrated some improvement in one instance of a long-term struggle or goal.</p>	<p>I rarely try or do not try to improve myself without comfort zones.</p> <p>I rarely connect what I learn to my life.</p> <p>I have demonstrated improvement in one instance of a long-term struggle or goal.</p>
