

## Maine LIS Network Meeting & School Visit

Noble High School, North Berwick, Maine

November 6, 2018

### Coordinators

Alison Kearney, Assistant Principal, Noble High School | [alison.kearney@msad06.org](mailto:alison.kearney@msad06.org)

Reed Dyer, Senior Associate, Great Schools Partnership | [rdyer@greatschoolspartnership.org](mailto:rdyer@greatschoolspartnership.org)

### Outcomes

1. Acquire specific ideas/resources that can help my school in our personalized learning efforts.
2. Deepen my professional network within the League of Innovative Schools by learning with and from colleagues.
3. Engage in choice-based, professional conversations specifically focused on school needs with feedback, ideas, and resources.

### Overview

Noble is known for its student-centered practices and efforts to provide personalized learning opportunities that meet the needs of all of its students. During this visit, participants will spend time in classrooms to see teaching & learning in action and have the opportunity to learn lessons about instructional practices, proficiency-based systems, and Noble's grading and reporting approaches. We will also hear directly from students about their experiences and perspectives.

Participants are also encouraged to suggest topics for deeper discussion and problem-solving, and we will facilitate collaborative learning and sharing among all participants.

Full lunch will be served. This event is free and open to all faculty from schools who are members of the [League of Innovative Schools](#).
