

Killingly Observation Tool

January 23, 2020

This year Killingly is starting to explicitly reflect on current implementation of Elements of Effective Instruction. As you visit classes, please focus on the following areas:

- Learning environment
- Clear, shared outcomes
- Varied content and materials
- Practice and feedback
- Complex thinking and transfer.

I observe...

I notice...

Killingly Observation Tool

January 23, 2020

This year Killingly is starting to explicitly reflect on current implementation of Elements of Effective Instruction. As you visit classes, please focus on the following areas:

- Learning environment
- Clear, shared outcomes
- Varied content and materials
- Practice and feedback
- Complex thinking and transfer.

I wonder...

I suggest...(feedback you will share)
